Schmidt stated that Dr. Hans Andrews visit to Carl Sandburg College was very successful. He was the keynote speaker at many sessions held on CSC campuses. Schmidt also thanked Mr. William McKinley for his presentation. Mr. McKinley is a recent graduate of Avon High School. While attending high school, he took dual credit classes. He is now a student at Monmouth College.

Schmidt reported that he has been asked by Dr. Joe Cipfl, ICCB, to be a member of a Task Force to undertake the study of the current Adult Education and Family Literacy funding system. Schmidt stated that this past Monday the College was without power. He said it was a fine example of how Carl Sandburg College people respond to emergencies very well. Classes had to be delayed eventually until 4 p.m. The College was without power for approximately six hours. Eventually the underground feed on the east end of the Main Campus had to be shut down and at that time the College was able to activate the new feed on the west end that was put in a year a half ago. Schmidt stated that he was very pleased with the leadership of everyone involved. Schmidt reported that the first Annual Carl Sandburg College Picnic would be held August 24<sup>th</sup> at Lake Storey Pavilion.

Lastly, Schmidt stated that the board would not hold their Fall Planning Retreat on September 6 & 7.

VICE PRESIDENT

SERVICES:

DEAN OF HUMAN  
RESOURCES/  
ORGANIZATIONAL  
DEVELOPMENT:

Ms. Lori Sundberg reported that the College is in the process of re-writing the Upward Bound grant. Both she and Ms. Jill Johnson attended a grant-writing workshop in Chicago the end of July. The U. S. Department of Education is issuing an "Invitation Priority" this grant cycle which has caused the Department to fall behind in their schedule, so it appears the grant deadline could be pushed back as much as three months. In addition to the technical changes, there is also consideration in expanding the scope of the program. Last week at the August breakfast meeting of the Warren and Henderson county superintendents and principals, Sundberg made a presentation on Upward Bound with an invitation for any of the high schools who had higher populations of low-income and/or potentially first generation college students to let us know if they would like to join the program. Sundberg also reported that we are in the process of renewing our Education-to-Careers grant, which is due this September 9 for two more years. This is a grant that the College thought would end last year, so the \$100,000 additional funding from this grant is welcomed.
